

NCBFAA ANNUAL CONVENTION & INDUSTRY TRADE SHOW

November 19 – 21, 2008

At: Embassy Suites Hotel, 5400 John Q. Hammons Drive NW. Concord, NC

We are so grateful that the NCBFAA has been in existence for 31 years. We have lost only three Past President's since the beginning of NCBFAA existence. We will have a Past President's Luncheon Meeting at the Convention please try not to miss this one Meeting. Grant Thayer will provide the agenda for this meeting. Please try to come.

We are so excited and proud to have NCBFAA's Executive Director Merlin Guilbeau Guest Speaker at the North Carolina Convention & Industry Trade Show. He has been with NCBFAA for several years and is doing an excellent job. He has a great staff and will be working with new President-Elect Mike Miller another fine person.

We will have a variety of classes with Credits. Also, a class that you can renew your NC SP-LV (special low voltage) it is an 8 hour class, you will have 4 contact hours for this year and can carry over 4 hours for next year. More on classes in a few weeks.

Things to do: There is Concord Mills, a mile one way and a mile back, any type of food you would like. Okay men and women there is a Bass Pro Shop you can get lost in this huge store. If you wish to tour parts of the Racing Facility there is a tour beginning every hour, the fee is \$5.00 per person. In September the Drag Race Track will be finished and you can see that new Track. There are many site seeing places, don't miss them.

There is one thing you do not want to miss the opening of the Industry Trade Show on Thursday, November 20th, at 3:00 pm to 7:00 pm. They have many new products, the technology is changing almost daily. Don't get left out, it can hurt your business if you do not stay up on the new products and changes.

You can come to this meeting and learn and still have many interesting and fun things to see and do.
