NBFAA Upcoming Events

Leadership Summit Dallas, Texas

January 13-17, 2009

NBFAA's Leadership Summit is a must-attend event. In 2008, more than 90 association leaders, their spouses, volunteers, committees and staff met in Irving to conduct the business of

the association in addition to attending break-out sessions on tips, tricks and insights to running and leading a successful association, while enjoying several receptions, socializing and networking. You won't want to miss the 2009 Summit – which promises to set the bar higher yet.

AIREF Golf Classic Las Vegas, Nevada

March 31, 2009

Join the Alarm Industry Research and Educational Foundation (AIREF) for a day of relaxing golf. The proceeds from this event will be used to conduct

research to benefit the industry and public safety. For the participants, it is a great way to network, cultivate business relationships, build client and prospect lists, generate sales leads, and even create long-lasting friendships with industry colleagues

Day on Capitol Hill Washington, D.C.

April 28-29, 2009

Take a stand for your company and your industry. Join others from NBFAA as we storm the hill – Capitol Hill that is. This event brings our association and our industry together

to bring common issues to the attention of Congressmen who can affect legislation for the benefit of your company, the industry and public safety. Everyone that attends makes a difference! Come with us to represent your industry, while enjoying the camaraderie of friends. Save the date today.

Summer Conference Baltimore, Maryland

June 22-26, 2009

The 2009 Summer Conference will be the highlight of the year with the presentation of the highest honors and

awards in our industry; unparalleled education and training; the annual membership meeting; Board of Director's meeting and other business of the association; and numerous opportunities to relax, unwind and enjoy the company of old – and new – friends.
