

Certified Alarm Technician Level I (New- Revised) ASLB-01-061

September 28-30, 2009

At: Graybar Electric 2500 Wilkinson Blvd. Charlotte, NC 28208 • Ph: 704-398-6235

Sponsored by the North Carolina Burglar and Fire Alarm Association

Our Thanks and Appreciation To Graybar for the use of their Training Room

Benefits of attending this seminar:

- *You get 24 hours over three days of alarm principles, theory, and much more. Part of the 24 hours is a 2-hour exam.
- * Graduates are more confident in their abilities. * They perform better installations and are more professional in dealing with customers.
- *Companies with certified employees gain a distinct marketing edge over competitors. They tell prospect, "Our installers are experts. They are certified by the National Training School." * It helps to raise the image and professionalism of the entire industry. *Companies that send employees to NTS attract the best workers—those interested in being top-notch security professionals.
